Social Media:

Online communities designed to share information, ideas, personal messages, and other content

Examples: Facebook, Twitter, Instagram

**Warning:** Not practicing safe social media can lead to identity theft!
How to Protect Your Privacy:

- Don’t post information that you wouldn’t want the whole world to have
- Don’t post your whereabouts
- Don’t use the same password for every site
- Do look at your profile without logging in to see what others see
- Do adjust your privacy settings accordingly
